### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with 9/09/05 on Ralph Tremontozzi and David Thibodeau, Jr.

The application has been amended as follows:

Claim 1, line 7, after the word, "group", "and a unique phase offset of that code that is shared by" has been deleted.

Claim 1, line 7, after the word, "group", " but each user of the second group using another code that is not unique to" has been inserted.

Claim 4, line 1, after the word, "to", "each one of" has been inserted.

Claim 24, line 9, before the word, "phase", "unique" has been deleted.

### **REASONS FOR ALLOWANCE**

2. The following is an examiner's statement of reasons for allowance:

Regarding claim 1, Prior Art fails to disclose a system which supports CDMA among members of a first group of terminals and among a second group of terminals, comprising the steps of assigning to the second group of terminals the same code as used

by the first group but each user of the second group using another code that is not unique to each user of the second group in combination with other limitations set forth in the respective claim.

Regarding claim 24, Prior Art fails to disclose each individual unit of the first set of access units having at least one unique, non-orthogonal scrambling sequence that is selected from a unique phase shift of a longer pseudorandom noise sequence, and wherein the second group of access units share a chip rate scrambling code derived from a phase shift of the longer pseudorandom noise sequence that is not used by the first group of access units in combination with other limitations set forth in the respect claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Chirag G. Shah whose telephone number is 571-272-3144. The examiner can normally be reached on M-F 8:30-5:00.
